**PRIVACY WAIVER****(Pursuant to the Privacy Act 1993)**

I (each person whose name and signature appears below) declare that the information they have filled out in this form is true and correct to the best of their knowledge. All information supplied represents a true and clear representation of their Financial Position – and that they understand and acknowledge that should false information be supplied it will result in the loan being declined or becoming immediately payable in full if it was already approved.

Neglecting to fill this form out correctly can result in your loan being declined, or if it is approved can result in the loan being recalled and becoming immediately payable in full by way of cash or repossession of security.

I (each person whose name and signature appears below) understand that Hawera Finance Limited are asking me for personal information about me so as to use that information to obtain further information about me from third parties. I understand that the information Hawera Finance Limited, their employees or agents obtain will be used for the purpose of:

- Assisting Hawera Finance in making a decision on whether or not to provide me with credit; and
- Enforcement of my contract if I default in my obligations to Hawera Finance.

The information Hawera Finance collects may consist of (but is not limited to) details of my assets, liabilities, income, employment, credit history, address details and contact information.

**The third parties that Hawera Finance may query include:**

1. Any trading bank, finance company, credit union or other financial institution;
2. Any credit reporting service or agency (including but not limited to Baycorp Advantage);
3. Any government agency (including but not limited to LTSA, LINZ, PPSR, IRD and WINZ);
4. Other third parties as required by Hawera Finance for the purpose stated above;

**I understand that:**

1. This authorisation compels any third party to give Hawera Finance the information they request;
2. Neither Hawera Finance nor any third party needs to contact me before the third party furnishes the information Hawera Finance requests;
3. The third parties Hawera Finance gives my information to may retain that information and use it to provide their own service.
  - The Privacy Act 1993 restricts the parties to whom Hawera Finance or any third party may divulge my personal information;
  - In providing a service, a third party (e.g. credit reporting agency) may disclose information Hawera Finance has given to them about me, to their own customers.
4. Hawera Finance may use my details to provide me with information about their promotions & products.
5. If I default in my obligations to Hawera Finance, information about that default may be given to third parties (e.g. a credit reporting agency);

I authorise all persons, organisations, companies, government agencies and other entities to provide Hawera Finance with any information about me they reasonably request. I retain the right to cancel this authorisation at any time in full or part by giving signed notice to Hawera Finance, provided however that I no longer have any contractual obligations to Hawera Finance.
